National Commission
for Allied and Healthcare Professions

Message

It gives me immense pleasure to convey my warm greetings and best wishes to the Sikkim State Allied and Healthcare Council (SSAHC) and to all allied and healthcare professionals serving the people of Sikkim.

Allied and healthcare professionals form the backbone of a robust, patient-centred healthcare system. Their contributions ensure continuity of care, improve health outcomes, and support the larger vision of accessible, high-quality healthcare for every citizen.

The National Commission for Allied and Healthcare Professions was established under the NCAHP Act, 2021, to regulate education and practice, maintain uniform standards, promote research and continuous professional development, and create a transparent system of registration for these vital professions. State Councils such as the SSAHC are indispensable partners in translating this national mandate into effective action in the state. Your efforts in strengthening institutional standards, facilitating registration, upholding ethics, and building professional capacity in Sikkim are deeply appreciated and essential to the success of the Commission's objectives.

I urge every allied and healthcare professional in Sikkim to take pride in your work, remain committed to lifelong learning, and uphold the highest standards of competence and compassion.

I extend my best wishes to the Sikkim State Allied and Healthcare Council for continued success in its endeavours and look forward to a strong Healthcare system in the state.

With warm regards,

Dr. Yagna Unmesh Shukla(PhD)
Chairperson
National Commission of Allied & Healthcare Professions (NCAHP)
